SPOT THE SIGNS

Found damp patches, mould, peeling wallpaper or a musty smell? Don't panic

What looks like a serious damp problem may be easier to resolve than you think. The important first step is having the issue correctly diagnosed by a professional damp surveyor.

BOOK A DAMP SURVEY

Contact Damp Proofing Merseyside to arrange an in-depth damp survey at a convenient time.

Booking is quick and easy - simply give us a call or book your survey through our website.

DIAGNOSE THE PROBLEM

Our professional damp surveyors will carry out a thorough inspection of your property

They will identify the type, cause and extent of the damp problem and provide a detailed report with recommended solutions and any remedial work required.
